COLONIAL SCHOOL AGE PROGRAMS

What is the Before School program?

What do children do before school?

MELC's Before School program is designed to provide a relaxed and calm atmosphere where independence and choice are encouraged. During the morning hours some children may need the time to relax in preparation for transition to the classroom, some children may need to put finishing touches on their homework, while others may want to socialize with their friends.

What are the Before School program hours?

Our Before School program begins at 7:00am and continues until 8:55am.

Is breakfast provided?

Breakfast is served until 8:40am. Breakfast usually includes cereal, bagel or muffin along with milk and juice.

What are the After School program hours?

Our After School program begins promptly when school ends. We close at 6:00pm.

What do children do in the After School program?

Once the children have arrived, attendance is taken and the class usually breaks into age-appropriate groups. There is snack time, homework time, outside or gym time and an activity that is theme-related in which all children are encouraged to participate.

What is homework time?

Each after school program will provide time for supervised homework. This homework period is not meant to replace a regularly established study and homework time at home, when parents/guardians can review school assignments with their child.

Do you provide care on early dismissals and teacher's in-service days?

Yes. See Additional Days policy for details.

Is care available during spring and winter break?

Yes, it is available, although we are closed for certain days during that time. See Additional Days policy for details.

What about the teacher-student ratio?

We are licensed by the Department of Human Services and meet the required ratio of 1 teacher to every 12 students.

MELC COLONIAL ADDITIONAL DAYS POLICY

Before and After Care

During the school year, children enrolled full time in our Before and After Care option will have Additional Days care included in their tuition fee. Children enrolled part time should inquire about Additional Days care. Additional Days are offered on days when the school district has early dismissal or a full day of no classes but MELC provides care.

Families will receive an email from the Center Director approximately three weeks prior to the Additional Days that will include a link to an online care request form. This online form must be submitted by the deadline given in the email. All Before and After Care enrolled children whose form is received by the deadline are guaranteed to receive Additional Days care at no additional charge.

Before Only or After Only Care

The Additional Days are not included in the Before Only or After Only tuition fee. If room allows, children enrolled in Before Only or After Only care can attend Additional Days at an additional cost. The cost is \$15 on Early Dismissal days and \$30 on Full Days. Part time enrolled children should inquire about Additional Day fees. All requests will be confirmed on a first request, first serve basis via email.

When these spaces become available, MELC will send an email requesting families to sign up online that will include a link to an online care request form. We will then confirm your spot and you will be billed based on your confirmation, not attendance.
